

### Vocal Presence Assessment

Please spend a few minutes responding to the following statements to see whether you might benefit from Vocal Presence coaching.

After reading each statements, rate it using the following scale:

- 1 = This statement is not accurate
- 2 = This statement is somewhat accurate
- 3 = This statement is completely accurate

Fill your rating in the column to the right of the statement.

After you have completed the assessment, tabulate your score.

- If your scores are between 60-75, you've got great vocal presence and use it to be an effective leader.
- If your scores are between 40-60, you might want to investigate how vocal presence can help you to become a more effective leader.
- If your scores are between 10-40, contact me.
